

EEPNolie pavement collection

Some models in EEP use exchange textures. This is a texture for the free “shield” model made by AS1 (Free model V72FreeAS1_018), which can be downloaded here :

http://www.alice-dsl.net/dr18201/EEP7/V72FreeAS1_018.zip

or at <http://eepnolie.be> (download section)

The free model set includes 2 “shield” models :

Included are 2 textures :

They can be used as a replacement texture for the 8x4m (1024x512) shield, which should best be set up with a scale of 0.5.

Example :
